## Main Inside Heading

It is a privilege to serve as GOD`S housekeepers. The Alter Guild joyfully and reverently prepares the alter for all services and assist the

Pastors in order to enhance the worship experience of all who come to Covenant Glen.

The Communion Stewards care for

the vessels and linens used in Communion, Baptisms, Ash Wednesday, Advent and Funerals. We prepare for the services that precede with dignity and reverence. Our work occurs in a quiet and orderly manner throughout the year.

The adornment of the alter, the candles, the cross, and the linens

symbolize our steadfast love for GOD. We enter following the Acolytes, reverently bringing GOD`S light into the sanctuary and exit taking the light back into the world.

## Acolytes

The acolytes, ages 9 to 16, both males and females are young person who discover early a desire to dedicate themselves to the church. These young person take seriously their responsibility as Keepers of the Light.

The Alter Guild meets every Saturday prior to First Sunday. We have ongoing training sessions for both Communion

Stewards and Acolytes during these meetings and following service on first Sunday.
